

L.O.V.E. (Living Our Vows Everyday) Challenge

Who doesn't like to receive a love note? Young or old alike, everybody gets a smile on their face when they receive an unexpected note expressing that someone is thinking of them. Over 34 years ago this summer, my husband got my attention by leaving me unexpected notes daily on my car's windshield wiper when I was parked at work. Can you imagine my smile from ear to ear when I was leaving work and found those notes? They were sweet messages wishing me a good day or just saying "Thinking of you." I have to say he still surprises me sometimes with unexpected notes in my lunchbox, in my make-up drawer, and even on the mirror of the bathroom (That one gets him in trouble because he writes with my eye liner. LOL).
